Why That Bad Back?

Is a lame, aching back keeping you miserable? Do you long for a moment's rest from those sharp, stabbing pains that torture you from morning 'til night? Are you "all played out" and without strength or vigor for the day's work? Then you should find out what is causing the trouble and lose no time correcting it. Most likely, it's your kidneys! You have been working too hard and neglecting proper rest and exercise. Your kidneys have slowed up and poisons that well kidneys should have filtered off, have accumulated in your system. That then, is because of that nerve-racking backache, those piercing pains and annoying headaches, dizzy spells and bladder irregularities. Help the kidneys before the trouble gets worse. Use DOAN'S KIDNEY PILLS. DOAN'S have helped thousands and should help you. ASK YOUR NEIGHBOR!

These are NORWICH CASES:

DURKEY LANE	STANTON STREET	HEDGE AVENUE	NORTH MAIN STREET
Albert P. Dunham, 9 Durkey Lane, says: "Sitting over and walking as much as I have to do at my trade as a spinner worked hard on my back until my kidneys gave out. I suffered quite a while with constant pains in the small of my back just over my kidneys. When I bent over, sharp pains shot through my back that fairly took my breath away. I had to get up in a few days, times to pass the kidney secretions. A couple boxes of Doan's Kidney Pills from the Lee & Co. Drug Co. cured the trouble."	Mrs. E. H. Chapman, 12 Stanton Street, says: "I was feeling miserable with my back. I made up my mind that it came from my kidneys. Every move I made felt as though a knife were cutting into my back. When I would move quickly I felt dizzy. A friend told me to try Doan's Kidney Pills. A box of Doan's gave me relief in a few days. I finally got such great relief that I haven't had to use them only once in a while since and they have always given me the same good benefit."	G. E. Disque, 50 Hedge Ave., says: "Doan's Kidney Pills are a reliable kidney remedy. I have had backaches and other symptoms of disordered kidneys. Being on my feet all day as I have to be, weakens my back, and when night comes my back feels tired. I had often read in the paper of Doan's Kidney Pills helping many people and this led me to use them. They have always cured these attacks, and I am seldom without them in my home."	Mrs. E. Mulkin, 613 N. Main St., says: "I had dull, aching pains across the small of my back, and I noticed it mostly when I over exerted myself or after being on my feet a great deal. My back felt weak and tired. Doan's Kidney Pills gave me great relief when I used them." (Statement given May 30, 1919). On February 16, 1921, Mrs. Mulkin said: "I have had no use for a kidney remedy since I used Doan's Kidney Pills several years ago. My cure is a lasting one."
